

Travel Insurance Advisory

Please read this Policy carefully before you travel.

Travel insurance is designed to cover losses arising from sudden and unforeseeable circumstances. It is important that *you* read and understand *your policy* before *you* travel as *your* coverage is subject to certain terms, conditions, limitations and exclusions. Exclusions apply to any *accidental injury, sickness, medical condition* and/or symptoms that existed prior to and/or during *your* trip, or travelling outside of Canada contrary to a Government of Canada travel advisory (see Exclusion 30). Check to see how this applies in *your policy* and how it relates to *your* destination, application date, *policy effective date, departure date, and policy expiry date.*

It is *your* responsibility to be aware of the Government of Canada travel advisories at www.travel.gc.ca prior to any departure from Canada and at all times while *you* are travelling outside of Canada. COVID-19 coverage is provided if the Government of Canada travel advisory is Level 1, 2, or 3. COVID-19 coverage is not provided if *you* are travelling on a cruise ship outside of Canada. In the event that the travel advisory changes to 'Avoid all travel' (Level 4) while *you* are outside of Canada, *you* must return to Canada within 10 days of the advisory. If *you* do not return to Canada, *your* COVID-19 coverage will terminate on the 11th day and thereafter.

In the event of an *emergency*, *your* medical history will be reviewed when a *claim* is reported.

You must notify us at 1-855-883-6478 from the U.S.A., 01-800-288-9967 from Mexico or elsewhere call 416-467-4586 (collect) within 24 hours of any medical or dental treatment. Failure to do so will result in a managed care penalty where *you* will be responsible for 50% of any gross eligible expenses incurred and the maximum liability under this *policy* will be limited to \$25,000. *You* must call unless *your* condition prevents *you* from doing so and in this case *you* must contact *us* as soon as medically possible or have someone call on *your* behalf. If *you* or someone on *your* behalf does not notify *us* prior to the arrangement of an *Emergency Assistance Service*, (as stated in the Schedule of Benefits Summary), no benefit is payable.

IMPORTANT:

Terms used in this *policy* that have been italicized have specific meanings and are defined in Section 6 - Definitions of this *policy*.

Please be sure to refer to them while reviewing this *policy*. In the event of a disagreement or dispute over the definition of any word that is not defined in this *policy*, the Oxford Canadian Dictionary (second edition) definition will prevail. Coverage under this *policy* is subject to certain terms, conditions, limitations, and exclusions. Please read this document carefully. Failure to comply with the *claims* procedures set out in Section 7 of this *policy* will result in loss of rights to, or reduction in, benefits conferred under this *policy*.

ANNUAL MULTI-TRIP PLAN

The Annual Multi-Trip Plan covers you for an unlimited number of trips outside of Canada for a specific number of consecutive days for any trip, as chosen by you on the Application for Insurance and as shown on your policy receipt. Out-of-Canada coverage applies to trips that do not exceed the number of consecutive days for any trip as chosen by you on the Application for Insurance and as shown on your policy receipt. You are responsible for paying the deductible amount as chosen by you and/or stated on your policy receipt, for the covered expenses of each claim. Original, itemized receipts or invoices are required for all claims.

You must call unless your condition prevents you from doing so and in this case you must contact us as soon as medically possible or have someone call on your behalf. If you or someone on your behalf does not notify us prior to the arrangement of an Emergency Assistance Service, (as stated in the Schedule of Benefits Summary), no benefit is payable.

We, in consultation with your physician(s), reserve the right to move you to a medical facility of our choice or return you to Canada prior to any treatment or following emergency treatment or hospitalization for an emergency, if on medical evidence you are able to be moved without endangering your health. If you elect not to return to your province or territory of residence, then any expenses incurred by you following this recommendation, will not be covered under this policy. If you elect to return to Canada for further treatment and then after the treatment subsequently travel again, any expenses incurred relating to the condition for which you were treated would not be covered.

If you make a temporary return to Canada during your period of coverage and receive medical treatment during this return to Canada, then any treatment received during the remaining period of coverage under this policy relating to the medical condition treated during your temporary return to Canada will not be covered. Each time you depart Canada you must remain eligible as per Section 1 – Eligibility Requirements.

Any *claim* will be denied if, at all times during the 6 month period prior to *your departure date* and while *you* are covered under this *policy*, *you* do not act in a prudent manner so as to minimize costs to *us*.

In the event of the total amount of medical bills exceeding the maximum amount of insurance, *we* will pay all eligible expenses in the order in which the bills were received to the maximum of this *policy*.

In the event that the loss is the result of a motor vehicle incident causing *accidental injury*, no eligible expenses will be paid under this *policy* until benefits available through any motor vehicle insurance have been exhausted.

This *policy* is secondary to all other coverages that are available for payment of *your claim* expenses. If any benefits payable to *you* under this *policy* are in addition to similar benefits payable to *you* by any other insurer or insurance plan, total benefits paid to *you* by all insurers cannot exceed *your* actual total expenses. If *you* are covered under more than one of *our policies*, the total amount paid to *you* will not exceed *your*

actual expenses and the maximum to which *you* are entitled is the largest amount specified for the benefit in any one of *our policies*. If other insurers, for which *you* have coverage, state they are secondary payors also, we will co-ordinate payment of benefits, up to 50% of eligible expenses which are available under this *policy*, with all insurers which provide *you* benefits similar to those provided under this *policy*, up to a maximum of the largest amount specified by each insurer. We have full rights of subrogation. In the event of a payment of a *claim* under this *policy*, we will have the right to proceed, in *your* name, but at *our* expense, against third parties who may be responsible for giving rise to a *claim* under this *policy*. *You* will execute and deliver documents as necessary and co-operate fully with us so as to allow us to fully assert *our* rights. *You* will do nothing to prejudice such rights. We will not subrogate against any retiree plan benefit if the lifetime maximum limits for all in-country and out-of-country benefits is \$100,000 or less.

Limitation of Benefits - If *you* have an *emergency* medical incident during *your trip*, *your emergency* will be deemed over and benefits for the *medical condition* cease once: (i) *your condition* has been *treated* and *you* have been discharged from the medical facility where *you* received medical care, or (ii) *your condition* is deemed controlled based on the medical evidence and *you* can return to *your province* or territory of residence. Once *your emergency* is deemed over, as described above, any ongoing or follow up *treatment*, rehabilitative care or consultation, *recurrence* or complication of that *medical condition*, or related condition, will not be covered under this *policy*. Notwithstanding any provisions contained herein, this *policy* is subject to the statutory conditions of the Insurance Act applicable to contracts of accident and *sickness* insurance in *your province* or territory of residence. This *policy* is governed by the laws and regulations of the province or territory in Canada in which *you* normally reside. The rights to any eligible benefits under this *policy* cannot be assigned to a third party unless approved by us. The laws and regulations of any other country other than Canada will not be considered when a *claim* is reviewed for payment.

The *Application for Insurance*, the *Option Worksheet*, the *policy receipt*, this *policy* and any riders or endorsements to the *policy* shall form the entire contract. Only we have the authority to change the contract or waive any of its terms, conditions or provisions. In the event that the information contained on the *policy receipt* is not the same as the information on the *Application for Insurance*, the original *Application for Insurance*, as completed and submitted by *you*, shall be deemed as the factual information.

Any provision of this *policy* which is in conflict with any federal law or provincial or territorial law of *your province* or territory of residence, is hereby amended to conform with the minimum requirements of that law, and all other provisions shall remain in full force and effect.

All premiums, benefits, and limits are quoted in Canadian currency unless otherwise specified. To facilitate direct payment to providers, we may elect to pay the *claim* in the currency of the country where the charges were incurred based on the rate of exchange established by any chartered bank in Canada: (i) on the last date of service, or (ii) where cheques are issued directly to *physicians*, hospitals or other medical providers, on the date of issuance.

If *you* have misstated *your age* or misrepresented *your health* or lifestyle information which results in *your* paying an insufficient premium, then *your coverage* under this *policy* will be voided, *your premium* paid will be refunded and no benefits will be paid for any *claim*.

No statement made by *you* or any agent prior to or at the time of *your Application for Insurance* will be considered valid unless such statement has been submitted to us in writing at that time.

The existence of a *medical condition* for the purposes of determining *your eligibility* or when reviewing a *claim* under any section of this *policy* will be established using the records and any other information provided by *your physician(s)* whether or not the contents of the records were made fully known to *you* before or after *you* incurred a *claim* under this *policy*. *You* must grant us access to any and all medical records in the event a medical *claim* has occurred. If *you* have provided any false or misleading information or *you* have failed to disclose information on the *Option Worksheet* regarding *your health* or lifestyle and after review of *your medical records* it is found that *you* were not eligible for this *policy*, *your coverage* under this *policy* will be voided, *your premium* paid will be refunded and no benefits will be paid for any *claim*.

In the event that *you* are found to be ineligible for coverage or that a *claim* is found to be invalid or benefits are reduced in accordance with any *policy* provision, we have the right to collect from *you* any amount which we have paid on *your* behalf to medical providers or other parties. *Our liability* under this *policy* is limited solely to the payment of eligible benefits, up to the maximum amount chosen by *you* on the *Option Worksheet* and stated on the *policy receipt*, less any applicable *deductible* amount *you* have chosen, for any loss or expense. We do not assume responsibility for the availability, quality, results or outcome of any *treatment* or service, or *your* failure to obtain any *treatment* or service covered under the terms of this *policy*.

The payment to a medical provider by us for any eligible expense is at *our* option. In the event that we choose not to pay the medical facility directly, or they will not accept payment from us directly, we will reimburse *you* for any reasonable and customary eligible expenses that *you* have paid provided that *you* provide a valid original receipt for such services, including original itemized bills, invoices and receipts.

Any legal proceedings with respect to *your claim* must be filed in *your province* or territory of residence in Canada within 1 year from the date of occurrence of the *claim*. If applicable law provides for a longer period, *you* must begin legal proceedings within the period provided by law.

Automatic Extension of Coverage: If *you*, or *your travel companion* travelling with *you*, is hospitalized or quarantined outside of Canada after testing positive for COVID-19 outside of Canada, on *your policy expiry date* or the last day of coverage on *your Annual Multi-Trip Plan*, *your coverage* will automatically be extended at no additional premium for the period of hospitalization, or up to a 14 day quarantine period, and up to 72 hours after the *emergency* has been declared over or *you* are no longer quarantined or receiving *emergency medical treatment*. In addition, coverage will automatically be extended for 72 hours when *your common carrier* on which *you* are pre-booked as a passenger is delayed due to extreme weather conditions or mechanical failure. *You* must notify us of the occurrence immediately and provide documented proof of the cause for the delay that is satisfactory to us.

Extension of Coverage: Any extension requested will be subject to *our* agreement to extend. If *you* choose to extend *your trip* beyond the *policy expiry date* shown on *your policy receipt* for a reason not covered under this *policy*, *you* must contact **Travel Insurance Specialists at 1-800-563-0314 or 905-830-2928 (collect)**, at least ten (10) days prior to the *policy expiry date* shown on *your policy receipt*.

The conditions for extension are: (i) *you* pay the required additional premium, (ii) *you* understand that all terms, conditions, limitations and exclusions of the *policy* apply during *your extension period*, (iii) *you* remain eligible for coverage under all sections of this *policy*, (iv) a *claim* has not been reported, incurred or paid, (v) *you* are not aware of any medical problems or symptoms that may require *treatment* during the period of the extension; and (vi) the *recurrence* of a *medical condition* or a related condition that has given cause for a *claim* during the original term of the *policy* will not be covered during any extension period.

Notice of Right to Examine Policy: *You* have 10 days to examine *your policy* after *you* receive it. If for any reason during those 10 days *you* are not satisfied with this *policy*, return it with *your* written request for cancellation to:

**Travel Insurance Specialists,
Box 93060, 1111 Davis Drive, Newmarket, Ontario, L3Y 8K3**

Your premium paid will be refunded provided *you* have not left on *your trip*. The *policy* will then be cancelled from the *policy effective date* and will be deemed to have never been in force.

Refunds: Other than allowed under Notice of Right to Examine *Policy*, we will only consider other requests for a refund; (i) if *you* did not leave on *your trip* or if *you* returned early from *your trip* and no *claim* in excess of *your total deductible* has been incurred or paid, or is pending; and (ii) before *your period of coverage* ends. No *claim* will be paid if *you* have received a full or partial refund of premium. **Refunds are not available on the Annual Multi-Trip Plan.**

Early return refunds will be calculated based on the date *you* enter Canada and the day bands as per the Rate Tables. If the total trip length still falls within the same day band, there is no refund. Refunds are subject to a fee of \$15 per person. Proof must be provided as to *your*

date of entry to Canada in the way of a customs date stamp, *your* return air fare ticket, or *your* signature on a credit card receipt from a Canadian business. If none of these are available, the postmark on *your* written request, if mailed, or the date of a faxed request or *your* telephone call is received by Travel Insurance Specialists will be used to calculate any refund. All requests for a refund must be submitted within 30 days of *your* return to Canada. **Under no condition will a refund be made after the policy effective date for an early return during a coverage extension period.**

You must send a written request with proof of *your* non-departure, or early return, to:

**Travel Insurance Specialists,
Box 93060, 1111 Davis Drive, Newmarket, Ontario, L3Y 8K3**
