

**Travel Insurance Advisory — Please read this Policy carefully before you travel**

Travel insurance is designed to cover losses arising from sudden and unforeseeable circumstances. It is important that *you* read and understand *your policy* before *you* travel as *your* coverage is subject to certain terms, conditions, limitations and exclusions.

Exclusions apply to any *accidental injury, sickness, medical condition* and/or symptoms that existed prior to and/or during *your trip*, or travelling outside of Canada contrary to a Government of Canada travel advisory (see Exclusion 30). Check to see how this applies in *your policy* and how it relates to *your destination, application date, policy effective date, departure date, and policy expiry date*.

It is *your* responsibility to be aware of the Government of Canada travel advisories at [www.travel.gc.ca](http://www.travel.gc.ca) prior to any departure from Canada and at all times while *you* are travelling outside of Canada. COVID-19 coverage is provided if the Government of Canada travel advisory is Level 1, 2, or 3. You must be *fully COVID-19 vaccinated* if *you* are travelling on a cruise ship outside of Canada. In the event that the travel advisory changes to 'Avoid all travel' (Level 4) while *you* are outside of Canada, *you* must return to Canada within 10 days of the advisory. If *you* do not return to Canada, *your* COVID-19 coverage will terminate on the 11th day and thereafter.

In the event of an *emergency*, *your* medical history will be reviewed when a *claim* is reported.

**You must notify us at 1-888-694-8888 from the U.S.A., elsewhere call 905-830-4003 (collect) within 24 hours of any medical or dental treatment. Failure to do so will result in a managed care penalty where you will be responsible for 50% of any gross eligible expenses incurred and the maximum liability under this policy will be limited to \$25,000. You must call unless your condition prevents you from doing so and in this case you must contact us as soon as medically possible or have someone call on your behalf. If you or someone on your behalf does not notify us prior to the arrangement of an Emergency Assistance Service, (as stated in the Schedule of Benefits Summary), no benefit is payable.**

**IMPORTANT:**

Terms used in this *policy* that have been italicized have specific meanings and are defined in Section 6 - Definitions of this *policy*.

Please be sure to refer to them while reviewing this *policy*. In the event of a disagreement or dispute over the definition of any word that is not defined in this *policy*, the Oxford Canadian Dictionary (second edition) definition will prevail. Coverage under this *policy* is subject to certain terms, conditions, limitations, and exclusions. Please read this document carefully.

Failure to comply with the *claims* procedures set out in Section 7 of this *policy* will result in loss of rights to, or reduction in, benefits conferred under this *policy*.

If you or someone on your behalf does not notify us prior to the arrangement of an Emergency Assistance Service, (as stated in the Schedule of Benefits Summary), no benefit is payable.

We, in consultation with your physician(s), reserve the right to move you to a medical facility of our choice or return you to Canada prior to any treatment or following emergency treatment or hospitalization for an emergency, if on medical evidence you are able to be moved without endangering your health. If you elect to return to Canada for further treatment and then after the treatment subsequently travel again, any expenses incurred relating to the condition for which you were treated would not be covered.

If you make a temporary return to Canada during your period of coverage and receive medical treatment during this return to Canada, then any treatment received during the remaining period of coverage under this policy relating to the medical condition treated during your temporary return to Canada will not be covered. Each time you depart Canada you must remain eligible as per Section 1 – Eligibility Requirements.

### Insuring Agreement

Subject to your meeting the Eligibility Requirements, as stated in Section 1 - Eligibility Requirements, for this *policy* and in consideration for the required premium received, we will insure you against reasonable and customary eligible expenses incurred as the result of an *emergency* and pay these benefits, or other covered losses, in accordance with the terms, conditions, limitations and exclusions of this *policy*. The maximum *period of coverage* under this *policy* shall not exceed 12 consecutive months. Acceptance of the *Application for Insurance* and coverage under this *policy* is at our option. If your *Application for Insurance* is not accepted, you will receive a full refund of your premium paid.

**You must notify us at 1-888-694-8888 from the U.S.A., elsewhere call 905-830-4003 (collect) within 24 hours of any medical or dental treatment. Failure to do so will result in a managed care penalty where you will be responsible for 50% of any gross eligible expenses incurred and the maximum liability under this policy will be limited to \$25,000. You must call unless your condition prevents you from doing so and in this case you must contact us as soon as medically possible or have someone call on your behalf. If you or someone on your behalf does not notify us prior to the arrangement of an Emergency Assistance Service, (as stated in the Schedule of Benefits Summary), no benefit is payable.**

Your *Application for Insurance* must be signed and dated by you prior to your departure from Canada and submitted with the *Option Worksheet* and the required premium paid prior to your *trip departure date*. No coverage will be provided to anyone not named on the *Application for Insurance* and not shown on your *policy receipt*. Coverage begins at 12:01 AM on your *policy effective date* and terminates at 11:59 PM on your *policy expiry date*.

**Any change in your health status prior to the departure date of any trip which makes you no longer eligible for this policy, results in a change in your answers to the underwriting questions on the Option Worksheet or would change the stability status of a pre-existing condition (other than a minor ailment), constitutes a material change to your policy and you must immediately notify Travel Insurance Specialists at 1-800-563-0314 or 905-830-2928 (collect). Failure to contact Travel Insurance Specialists regarding a material change will result in any claim made being denied and coverage issued may be voided.**

On any *departure date*, if: a) the required premium is not received; b) the cheque is not honoured; or, c) credit card charges are declined for any reason; your *policy* coverage will be voided and any *claim* incurred will be denied.

This *policy* is secondary to all other coverages that are available for payment of your *claim* expenses. If any benefits payable to you under this *policy* are in addition to similar benefits payable to you by any other insurer or insurance plan, total benefits paid to you by all insurers cannot exceed your actual total expenses. If you are covered under more than one of our *policies*, the total amount paid to you will not exceed your actual expenses and the maximum to which you are entitled is the largest amount specified for the benefit in any one of our *policies*. We have full rights of subrogation. In the event of a payment of a *claim* under this *policy*, we will have the right to proceed, in your name, but at our expense, against third parties who may be responsible for giving rise to a *claim* under this *policy*. You will execute and deliver documents as necessary and co-operate fully with us so as to allow us to fully assert our rights. You will do nothing to prejudice such rights. We will not subrogate against any retiree plan benefit if the lifetime maximum limits for all in-country and out-of-country benefits is \$100,000 or less.

**Limitation of Benefits** - If you have an *emergency* medical incident during your *trip*, your *emergency* will be deemed over and benefits for the *medical condition* cease once: (i) your condition has been treated and you have been discharged from the medical facility where you received medical care, or (ii) your condition is deemed controlled based on the medical evidence and you can return to your province or territory of residence. Once your *emergency* is deemed over, as described above, any ongoing or follow up *treatment*, rehabilitative care or consultation, *recurrence* or complication of that *medical condition*, or related condition, will not be covered under this *policy*.

Notwithstanding any provisions contained herein, this *policy* is subject to the statutory conditions of the Insurance Act applicable to contracts of accident and sickness insurance in your province or territory of residence. This *policy* is governed by the laws and regulations of the province or territory in Canada in which you normally reside. The rights to any eligible benefits under this *policy* cannot be assigned to a third party unless approved by us. The laws and regulations of any other country other than Canada will not be considered when a *claim* is reviewed for payment.

The *Application for Insurance*, the *brochure*, the *policy receipt*, this *policy* and any riders or endorsements to the *policy* shall form the entire contract. Only we have the authority to change the contract or waive any of its terms, conditions or provisions. In the event that the information contained on the *policy receipt* is not the same as the information on the *Application for Insurance*, the original *Application for Insurance*, as completed and submitted by you, shall be deemed as the factual information.

Any provision of this *policy* which is in conflict with any federal law or provincial or territorial law of your province or territory of residence, is hereby amended to conform with the minimum requirements of that law, and all other provisions shall remain in full force and effect.

**All premiums, benefits, and limits are quoted in Canadian currency unless otherwise specified.** To facilitate direct payment to providers, we may elect to pay the *claim* in the currency of the country where the charges were incurred based on the rate of exchange established by any chartered bank in Canada: (i) on the last date of service, or (ii) where cheques are issued directly to *physicians*, *hospitals* or other medical providers, on the date of issuance.

If you have misstated your *age* or misrepresented your health or lifestyle information which results in your paying an insufficient premium, then your coverage under this *policy* will be voided, your premium paid will be refunded and no benefits will be paid for any *claim*.

No statement made by you or any agent prior to or at the time of your *Application for Insurance* will be considered valid unless such statement has been submitted to us in writing at that time.

The existence of a *medical condition* for the purposes of determining your eligibility or when reviewing a *claim* under any section of this *policy* will be established using the records and any other information provided by your *physician(s)* whether or not the contents of the records were made fully known to you before or after you incurred a *claim* under this *policy*. You must grant us access to any and all medical records in the event a *medical claim* has occurred. If you have provided any false or misleading information or you have failed to disclose information on the *Option Worksheet* regarding your health or lifestyle and after review of your medical records it is found that you were not eligible for this *policy*, your coverage under this *policy* will be voided, your premium paid will be refunded and no benefits will be paid for any *claim*.

In the event that you are found to be ineligible for coverage or that a *claim* is found to be invalid or benefits are reduced in accordance with any *policy* provision, we have the right to collect from you any amount which we have paid on your behalf to medical providers or other parties.

Our liability under this *policy* is limited solely to the payment of eligible benefits, up to the maximum amount chosen by you on the *Option Worksheet* and stated on the *policy receipt*, less any applicable *deductible* amount you have chosen, for any loss or expense. We do not assume responsibility for the availability, quality, results or outcome of any *treatment* or service, or your failure to obtain any *treatment* or service covered under the terms of this *policy*.

The payment to a medical provider by us for any eligible expense is at our option. In the event that we choose not to pay the medical facility directly, or they will not accept payment from us directly, we will reimburse you for any reasonable and customary eligible expenses that you have paid provided that you provide a valid original receipt for such services, including original itemized bills, invoices and receipts.

Any legal proceedings with respect to your *claim* must be filed in your province or territory of residence in Canada within 1 year from the date of occurrence of the *claim*. If applicable law provides for a longer period, you must begin legal proceedings within the period provided by law.

**Automatic Extension of Coverage:** If you, or your travel companion travelling with you, is hospitalized or quarantined outside of Canada after testing positive for COVID-19 outside of Canada, on your policy expiry date or the last day of coverage on your Annual Multi-Trip Plan, your coverage will automatically be extended at no additional premium for the period of hospitalization, or up to a 14 day quarantine period, and up to 72 hours after the emergency has been declared over or you are no longer quarantined or receiving emergency medical treatment. In addition, coverage will automatically be extended for 72 hours when your common carrier on which you are pre-booked as a passenger is delayed due to extreme weather conditions or mechanical failure. You must notify us of the occurrence immediately and provide documented proof of the cause for the delay that is satisfactory to us.

**Extension of Coverage:** Any extension requested will be subject to our agreement to extend. If you choose to extend your trip beyond the policy expiry date shown on your policy receipt for a reason not covered under this policy, you must contact Travel Insurance Specialists at 1-800-563-0314 or 905-830-2928 (collect), at least ten (10) days prior to the policy expiry date shown on your policy receipt.

The conditions for extension are: (i) you pay the required additional premium, (ii) you understand that all terms, conditions, limitations and exclusions of the policy apply during your extension period, (iii) you remain eligible for coverage under all sections of this policy, (iv) a claim has not been reported, incurred or paid, (v) you are not aware of any medical problems or symptoms that may require treatment during the period of the extension; and (vi) the recurrence of a medical condition or a related condition that has given cause for a claim during the original term of the policy will not be covered during any extension period.

**Notice of Right to Examine Policy:** You have 10 days to examine your policy after you receive it. If for any reason during those 10 days you are not satisfied with this policy, return it with your written request for cancellation to:

Travel Insurance Specialists,  
Box 93060, 1111 Davis Drive, Newmarket, Ontario, L3Y 8K3

Your premium paid will be refunded provided you have not left on your trip. The policy will then be cancelled from the policy effective date and will be deemed to have never been in force.

**Refunds:** Other than allowed under Notice of Right to Examine Policy, we will only consider other requests for a refund; (i) if you did not leave on your trip or if you returned early from your trip and no claim in excess of your total deductible has been incurred or paid, or is pending; and (ii) before your period of coverage ends. No claim will be paid if you have received a full or partial refund of premium. **Refunds are not available on the Annual Multi-Trip Plan.**

Early return refunds will be calculated based on the date you enter Canada and the day bands as per the Rate Tables. If the total trip length still falls within the same day band, there is no refund. Refunds are subject to a fee of \$20 per person. Proof must be provided as to your date of entry to Canada in the way of a customs date stamp, your return air fare ticket, or your signature on a credit card receipt from a Canadian business. If none of these are available, the postmark on your written request, if mailed, or the date of a faxed request or your telephone call is received by Travel Insurance Specialists will be used to calculate any refund. All requests for a refund must be submitted within 30 days of your return to Canada. **Under no condition will a refund be made after the policy effective date for an early return during a coverage extension period.**

You must send a written request with proof of your non-departure, or early return, to:
